WEB PORFOLIO

https://porfolio-nu-seven.vercel.app/

GOAL

• Currently, I want to be able to become a Frontend Developer, using young energy, passionate about developing my work, and learning a lot of experience from my colleagues. At the same time, I hope to be able to work in a dynamic, positive environment and stick with the company for a long time.

• In the next two years, I will continue to hone my skills, learn other programming languages to turn technology trends on and off in the world, to be able to become Senior FullStack, and more.
